Dear Mr. Steisberg,

Holiday Greetings! I'm sending you this quick note to let you know I am sending out to you, two issues of TAMPA BAY MAGAZINE, which has excerpts of a book by Gaeton Fonzi. I've read the first installment, 48 pages. His article is entitled THE LAST INVESTIGATION. (OVER)

Gaeton Fonzi is a South Florida journalist who spent 3 years as a gov't investigator (Kennedy assassination), he said the Committee's probe was a political charade.

I thought this might be of interest to you.

Best Wishes,
Barbara Riney
